

WHY CHRISTIAN EDUCATION MATTERS:

- Christian schools offer a better level of instruction. There is no question about it. The test scores over many years are conclusive.
- As a matter of fact, the largest groups of parents who send their children to Christian schools are public school teachers and principals.
- More and more parents, especially Christian parents, are coming to the conclusion that secular public education and most of its teachers and principals no longer represent their personal parental views.
- Students do not become stronger Christians by being taught non-Christian thinking, but by being taught Christian thinking, and there is no such person as a "neutral" school teacher who neither advances nor inhibits religion.
- Without the Bible, education is nothing more than the blind leading the blind. As Theodore Roosevelt stated, "To train a man in mind and not in morals is to train a menace to society."
- Presenting Christ as Savior is not illegal in a Christian school.
- From man's viewpoint, history is purposeless; from God's viewpoint, history has meaning.
- Christian schools support the family as the number one institution of society. Noah Webster said, "All government originates in families, and if neglected there, it will hardly exist in society."
- You are accountable to God for what your children are taught in school. The teachers under whom your children are taught should be the kind of teachers you would personally hire if your children were being educated in your home.
- Christian school educators maintain discipline in the classroom and on the playground.

CELEBRATION CHURCH Mission • Vision • Values

MISSION

To be a vehicle for God's redemptive purposes.

VISION

To be a family of faith that experiences, follows, & celebrates Jesus.

VALUES

Be Real - Compelling people to live common sense Christianity.

Belong - Creating environments for people to succeed, where they feel safe enough to fail.

Become - Challenging people to fulfill God's purpose for their life.

Mark Gungor, Senior Pastor

Notice of Nondiscriminatory Policy

Celebration Academy accepts students of any race, color, nationality and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, nationality or ethnic origin in administration of its educational or admission policies.

AGES 3 - K

2017 - 2018

DEAR PARENTS,

We are excited to offer the Pre-kindergarten/ Kindergarten Montessori-based Christian Program at Celebration Academy. We would love to have your consideration for this option as a preschool program for your child. It is our goal to provide a safe, loving environment that is intellectually stimulating and of sound biblical teaching.

We believe children have keen minds and receptive hearts. They begin absorbing values at a young age. We desire to imprint spiritual values and thereby counteract negative influences vying for their attention.

We acknowledge that spiritual development is, first and foremost, the responsibility of parents. Our role is to enhance and reinforce the teaching and training received in the home.

If you have any questions, please contact:

CURRICULUM OVERVIEW

Included in the curriculum are the following activities:

- Art
- Fine Motor Skills
- Food Preparation/Tasting
- Geography/History
- Grace and Courtesy
- Language and Development
- Life Skills
- Mathematics
- Music
- Outside Large Motor Skills
- Reading and Writing
- Science
- Journaling
- Spiritual Growth

We believe that your child's first experience in a school setting helps develop a positive school impression.

Our students develop the skills needed for future school success. We provide an environment that is supportive to your family's belief system. We consider our program to be an academic-based school.

The classroom is structured so each child participates in a unique cycle of multi-age learning. Having multiple ages in the classroom benefits younger students as they observe and model the older students. The older children reinforce their own knowledge experiences of the materials by assisting the younger ones. Your child's learning experience will benefit by being around children of varied ages.

AFTERSCHOOL PROGRAM

Our Afterschool Program runs from 3-5pm, Monday - Friday during the 2017/18 school year.

You can expect that your child will have fun, learn and be cared for in a safe environment. We encourage creativity and will always have hands on activities provided.

Contact Daena Gustafson for further info and pricing: daenag@celebrationchurch.tv or 920.406.2557

WHAT PARENTS ARE SAYING:

"Celebration Academy has provided my child with a base of learning and practicing Christian principles in a structured yet fun and interactive environment. The teachers are understanding of each child's unique needs and respond accordingly. She learns from the teachers and the other kids as well and has a strong academic foundation which puts her ahead of others her age. My child loves the relationships she has made at Celebration and has grown more confident, and as a family we feel very connected to the staff at Celebration Academy."
